

Merry Christmas

CHRISTMAS EVENT KARUR DISTRICT

Dear All,
The first District-Level Christmas Event was successfully held on 29th November 2024 in Karur. The event featured Mr. Isaac Livingstone, Co-founder of One Accord Forum (OAF) and Managing Director of SATHYAM TV, as the guest speaker. Mr. K. Samidurai, State President of the Indian Association of Lawyers, was also present for the occasion.

The event commenced with divine worship and singing, creating an atmosphere of unity and celebration. A special song performance by Mr. Alwin, son of Mr. Isaac Livingstone, added a personal and touching note to the gathering. The dignitaries were honored, and the participants were warmly welcomed by the convener of the event.

Mr. Ronald, COO of OAF, presented the organization's background, vision, mission, and future commitments. He emphasized the importance of bringing together different denominations and professionals into one accord to strengthen the Christian minorities in Tamil Nadu.

“If not now, it will be never”

Following this, Mr. Isaac Livingstone delivered a powerful message, sharing the Word of God and elaborating on the activities and goals of the One Accord Forum. He highlighted the critical challenges faced by Christian minorities in India and Tamil Nadu, delivering a stirring call to action: “If not now, it will be never.” He urged the audience to join OAF and support its founders, particularly Mr. Mano Thangaraj, former Minister of TamilNadu and chief advisor of OAF in representing Christians for socio-economic development. His inspiring message resonated deeply with the participants, many of whom pledged their support for the Karur chapter of OAF.

Senior Advocate Mr. K. Samidurai added valuable insights, sharing his experiences with the struggles faced by churches and pastors in establishing and sustaining their ministries. He pointed out the increasing persecution of mission work under the current government and stressed the urgent need for the Christian community to unite as one. Without this unity, he warned, future challenges could become insurmountable.

The event concluded with a vote of thanks and a closing prayer. A shared dinner followed, providing a platform for participants to engage in further discussions, address their concerns, and explore ways to move forward.

With the support of Mr. Vivin, Mr. Suresh Immanuel (Shilo school of music), Mr. Susai Arokiyaraj (Honda showroom Manager), Mr. Prabudoss (Textile contractor), Dr. Alexander (Principal - Govt Arts College), Dr. Amirthraj (Professor - Govt Arts College), Mr. T. Jebaraj (True light Ministry) and other dedicated OAF members, the event was successfully organized and well-received by all attendees.

Warm regards,

Ronald

Chief Operational Officer
